AIG Hospitals join Mayo Clinic Care Network of US

Hyderabad,

AIG Hospitals became first healthcare facility in India to become a member of Mayo Clinic Care Network of the US.

Officials of the two entities announced the partnership here on Thursday.

Mayo Clinic Care Network is a group of carefully vetted, independent health care systems that have special access to Mayo Clinic's knowledge and expertise.

Physicians from AIG Hospitals will be able to combine their understanding of their patients' medical needs with Mayo Clinic expertise, so patients get exactly the care they need close to home.

There is no additional cost to patients, announced D. Nageshwar Reddy, Chairman and Managing Director, AIG Hospitals.

He pointed out that AIG Hospitals is only the ninth healthcare facility globally to be become member of the Network and hoped that this would be a game changer for Indian healthcare.

He said 150-year-old Mayo Clinic is the number one healthcare facility in the US and one of the best in the world with 5,000 specialists. "The annual budget of Mayo Clinic is Rs 84,000 crore whereas the total budget of India's healthcare is Rs 62,000 crore," he said.

"We are passionate about bringing world-class medical expertise, innovation and technology to India for the benefit of our communities," said Nageshwar Reddy.

AIG Hospitals' physicians can contact Mayo Clinic specialists for second opinions on specific patient cases when they believe additional input will benefit their patients. Though live video conferences, AIG Hospitals' medical teams can review and discuss complex cases with a Mayo Clinic panel and other doctors within the Mayo Clinic Care Network.

AIG Hospitals is a unit of Asian Institute of Gastroenterology, one of India's leading gastroenterology hospitals. Spread across 1.7 million square feet, AIG Hospitals is one of the largest hospitals in India, serving over 6,00,000 patients annually.

[Pursuant to section 27(1) and rule 7(2) of Companies (Prospectus and Allotment of Securities) Rules, 2014]

Advertisement giving details of notice of special resolution for altering the object for which the prospectus was issued

Corporate Identification Number (CIN) : L24231GJ1993PLC019444
Name of the Company : Ushanti Colour Chem Limited
Registered Office : 88/8, G I D C, Phase I, Vatva, Ahmedabad-382445, Gujarat.

PUBLIC NOTICE

Notice is hereby given that by a resolution dated October 23, 2019, the Board has proposed to alter the object for which the prospectus dated July 14, 2018 was issued in connection with issue of 1926000 Equity Shares at an issue price of Rs. 60/- per Equity Shares aggregating to Rs. 11,55,60,000/.

In pursuance of the said resolution, further notice is given that for approving the said proposition, a special resolution is to be passed by postal ballot.

The details regarding such variation/alteration are as follows :

(1) Particulars of the objects to be altered- To finance setting up of Dyestuff Pigment & Intermediates manufacturing facility at GIDC Saykha Industrial Estate, Bharuch.

(2) Particulars of the proposed variation/alteration- To finance setting up of Dyestuff, Pigment, Chemical and Intermediates manufacturing facility in Gujarat either by UCL or by Special Purpose Vehicle ("SPV")

(3) Reasons/justification for the variation- Reason for variation in objects to the issue are; **(1)** Tax Benefits- Recently Union Finance Minister ("UFM") Ms. Nirmala Sitharaman has announced lower Income Tax rate and No MAT for new Companies incorporating after October 01, 2019, which make sense for establishment of new Company rather than investment in Ushanti Colour Chem Limited. **(2)** Cost- The Project Cost is quite high and there is a requirement of additional capital which will be fulfilled by SPV. **(3)** Subsidy- The Industrial Subsidy Policy of the Government of Gujarat (GoG) ensures reimbursement of subsidy through net SGST to be paid to GoG. Most of the sale is to be done in Gujarat based companies including M/s. Ushanti Colour Chem Limited. Hence if the project is in the name of Ushanti Colour Chem Limited then net SGST would not be available for intra-company transfer.

(4) Effect of the proposed variation/alteration on the financial position of the company- After the above utilization of the IPO proceeds, the overall consolidated earnings and cash flow of the Company is expected to improve in the long term either directly or through its SPV.

(5) Major Risk factors pertaining to the new Objects- Market conditions, performance of economy at the country & global levels, Political instability, Regulatory controls etc., that may come in future, unforeseen circumstances in spite of best efforts.

(6) Names of Directors who voted against the proposed variation/alteration- Nil.

Any interested person may obtain the copy of the special resolution along with the explanatory statement free of charge at the registered office of the company or at the office of its Company Secretary Ms. Archita Jitendrakumar Shah at 88/8, G I D C, Phase I, Vatva, Ahmedabad-382445, Gujarat, India or visit the website of the Company viz. www.ushanti.com for a copy of the same.
